

Annette Street Public School Code of Conduct for Athletes

Congratulations on being selected for your school's athletic team. Representing your school in an athletic competition is considered to be a privilege. Therefore, certain behavioural expectations come with this selection. This Code of Conduct for Athletes will inform you and your parents what these expectations are.

Our goal is to have the students demonstrate responsible behaviour both on and off the court, as well showing respect to all teachers and other students in the school. The student must also demonstrate a commitment to not only the team, but for their school work and be able to communicate positively whenever any difficulty arises.

Athletes must:

- Participate in a manner that ensures the safety of fans, athletes, coaches and officials also participating in the game.
- Respect other athlete's dignity: verbal or physical behaviour that constitutes harassment or abuse is totally unacceptable.
- Treat coaches, opponents and officials with respect both in victory and defeat. while encouraging other athletes to do the same.
- Follow school rules and respect the decisions of their teachers and coaches
- Maintain academic success, attendance and make positive choices
- Uphold the rules of the sport and demonstrate good sportsmanship

I have read and understand the statements in the Code of Conduct for Athletes and agree to conduct myself in a manner that demonstrates the standards established in the Code. My coach has also reviewed the code of conduct with me. I have read and understand the statements in the Code of Conduct for Athletes and agree to follow them.
