

ANNETTE AND HIGH PARK

	Parking on our sidewalk – it is dangerous and <u>we don't like it.</u>		Park in designated areas only e.g. we have two parking lots. <u>This will help keep us safe</u>
	Parking on both sides of the street – we can't get in or out because of this and <u>we don't like it.</u>		Park on one side of the street or use the parking lots. <u>This will help to keep us safe.</u>
	Turning your vehicle around in the street – sometimes kids have been touched by the vehicles turning around – <u>we don't like it.</u>		Please turn around in the 'turn around zone' at the end of Jennings in the Community centre parking lot. <u>This will help to keep us safe.</u>
	Blocking traffic – what if we have an emergency and police or fire need to get through – <u>stop doing this, we don't like it.</u>		Leave room for emergency vehicles. <u>This will help to keep us safe.</u>

Signed: All the students of Annette and High Park.
